Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322 and 1.323.

Respecting the alleged error, the inventor name and address(es), is printed in accordance with the Declaration submitted at the time of filing the application. There is no sub-declaration or post card receipt adding or deleting inventor's address under Rule 1.324.
